

Applying for a school place for September 2022 at

# Reception or Junior School

Application deadline **15 January 2022**

**Haringey**  
LONDON

# Foreword

## Dear Parents and Carers

As a council we are working to give every child in Haringey the best possible start in life: having an excellent education is part of that. Starting school is a momentous time for every child and family. Choosing a school is a big decision and this booklet is designed to help you.

Each one of Haringey's schools is committed to supporting our children and providing top quality education and great opportunities. We are one of the top boroughs in the country for Ofsted ratings, meaning you can be confident of your child enjoying a high standard of education here.

To help you, this online booklet gives you all the information you need to apply for a primary school place in Haringey. We have set out a detailed profile of each school and a step-by-step guide to the online application process.

When you make your application, you will be able to list up to six primary schools, in order of preference. You might want to visit your preferred and local schools before applying, so that you can be sure you are selecting the right preferences for you and for your child. We strongly advise that you do visit the schools you are interested in as this will help you to make an informed choice.

It is important to remember that expressing a preference is not the same as selecting which school your child will attend – many schools in Haringey receive more applications than there are places available. The admission criteria in this booklet set out how decisions on offers of places will be made where schools are over-subscribed.

Once you have decided on your preferences, please apply online at [www.eadmissions.org.uk](http://www.eadmissions.org.uk). We encourage every parent and carer to make their application online where they can. You can make your application using a computer, smartphone, or tablet. If you don't have access to any of these devices or the internet, you can request a paper application using the information set out in this booklet.

Please note, you can use a computer and access the internet for free at any one of Haringey's nine . Due to Covid-19, library opening times are subject to change and you may need to book in advance for computer internet access. Please visit our libraries page for more information.

The deadline for submitting applications is 15 January 2022. If your application is received after this date; it is very unlikely that your child will be offered one of your preferences.

We look forward to receiving your application and to welcoming your child to school in September 2022.

# Keeping children healthy as they prepare to start primary school

## As your child gets ready for primary school, please note:

- Vaccination protects your child from serious diseases. Before starting school, check your child's vaccination record (red book). They should have received all their childhood vaccines including the 4-in-1 booster and second dose of the MMR vaccine at 3 years 4 months. If they have missed any or you are unsure, speak to your GP or health visitor today. If your child was partially or fully vaccinated in another country, check with your GP who can advise if this is sufficient for the UK.
- Good and regular handwashing can prevent many illnesses and viruses, which means less risk of illnesses and fewer absences from school. Start practicing hand washing now especially after using the toilet and before eating.
- Make a start on early learning skills by sharing stories. Reading to your child improves their vocabulary and listening skills, and singing and rhymes will help them to learn some important pre-reading skills. Haringey libraries offer a free library card to all residents.

Children starting school should be spending at least 180 minutes (3 hours) a day doing a variety of physical activities spread throughout the day, including active and outdoor play. The more the better. Children under 5 should not be inactive for long periods, except when they're asleep.

School Health/Nursing Service offer guidance and support to you and your child and works across schools. The service provides advice to teachers/school staff, parents, carers and children. Children starting in Reception will be asked to fill out a medical questionnaire so the service can tailor any support needed by the family.

## Reception Admissions 2022

If your child was born between 1 September 2017 and 31 August 2018, you will need to apply for a reception place for September 2022. Even if you want your child to start school later, you must still apply now within the timescales given in this booklet.

There is no automatic progression into Reception class for children currently attending the nursery at a community school. Please apply online for a Reception place.

## SEN Reception Application Flowchart

### SEND Admissions 2022

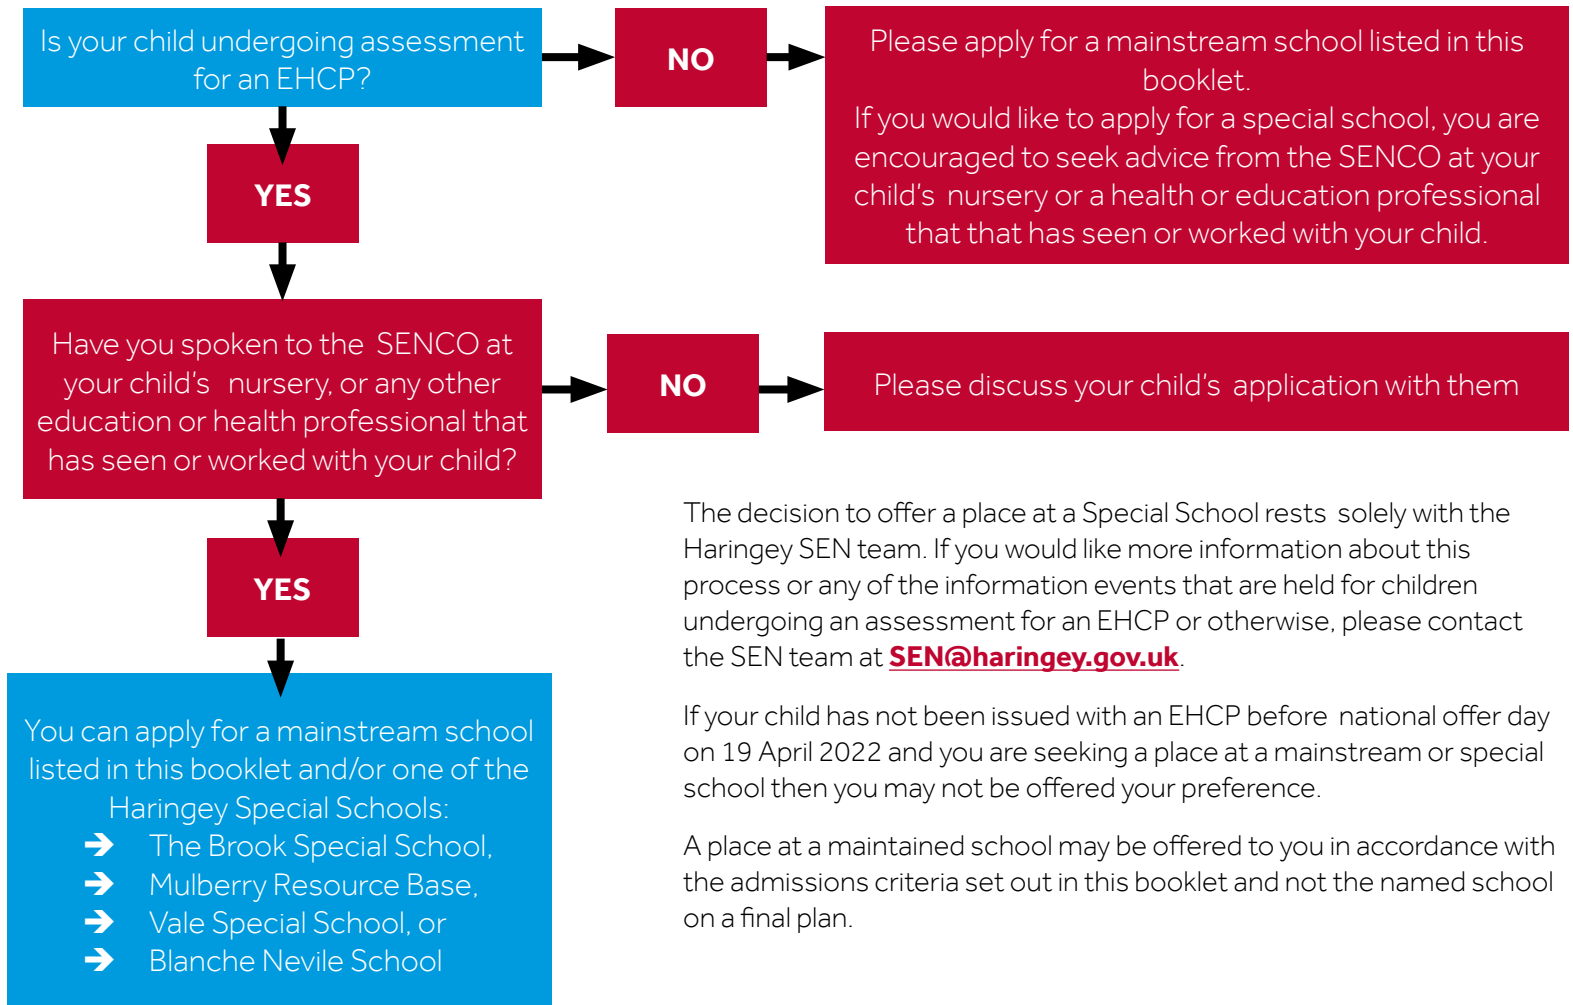

Haringey provides a range of specialist facilities and support services for children with special educational needs. The special educational needs of most children are met in mainstream schools where additional help is available. In certain cases a special school or unit may be appropriate.

The flowchart here is the process for applying for a place at a special school.

Information about provision for children with Special Educational Needs is available from the SEN team.

Tel: 020 8489 1913

Email: [sen@haringey.gov.uk](mailto:sen@haringey.gov.uk)

The decision to offer a place at a Special School rests solely with the Haringey SEN team. If you would like more information about this process or any of the information events that are held for children undergoing an assessment for an EHCP or otherwise, please contact the SEN team at [SEN@haringey.gov.uk](mailto:SEN@haringey.gov.uk).

If your child has not been issued with an EHCP before national offer day on 19 April 2022 and you are seeking a place at a mainstream or special school then you may not be offered your preference.

A place at a maintained school may be offered to you in accordance with the admissions criteria set out in this booklet and not the named school on a final plan.

## Deciding on which school place you would like to apply for

### 1. Consider how likely it is that your child will be offered a place at your preferred school.

Read the admissions criteria for each school and look to see which criteria apply to your child. See the [Admissions Criteria](#) for Haringey community schools.

### 2. Look to see how many places each school has available. This is called the Published Admission Number or (PAN).

The admission number for each school is listed under each school's entry in the [Schools Directory](#).

### 3. Please use Haringey's online [Distance Calculator](#) to find your home to school distance measurement.

If you are a Haringey resident then you can use the online tool to find out your home to school distance. Please note that this tool will only work for Haringey schools.

If you are applying to schools outside Haringey you will need to contact the borough where the school is located for your home to school distance measurement.

If you live outside Haringey and you would like to find out your home to school distance measurement for a Haringey school then please email your distance request to [schooladmissionscs@haringey.gov.uk](mailto:schooladmissionscs@haringey.gov.uk).

See how the [Distance Calculator](#) was applied last year, including the distance of the last child offered a place at a particular Haringey school.

Please remember that although this information can be used to give you an idea of how likely it is that you will be offered a place at your preferred school, the 'last distance' will change every year. We can never guarantee any child will be offered a place at any school.

### 4. Visit schools.

Please contact each school directly to arrange a visit.

### 5. Read Ofsted reports.

You can view reports at [www.ofsted.gov.uk](http://www.ofsted.gov.uk)

### 6. Consider how your child will travel to school

Safe travel should be considered. Parents are encouraged to practice the route to school before the start of term.

**Do:** Talk to your child about the decision

**Don't:** Let others influence your decision – the right school for your friend's child may not be the right school for your child.

# Applying for a school place

**Myth:** My child will automatically go into Reception because they attend the nursery.

*There is no automatic progression into Reception class for children currently attending the nursery at a school. Please apply online for a Reception place.*

**Myth:** My child has a right to be given one of our school choices.

*The schools you list on your application form are not choices but preferences. Each school preference will be processed in accordance with the school's admission arrangements and the highest possible preference will be offered. When we are unable to offer any school listed on your application, we will allocate the nearest school to your home address with an available place.*

**Myth:** Listing one school will mean that you will have to offer me that school.

*If you list only one school and your child cannot be offered a place under the school's admission arrangements, we will offer the nearest school to your home address with a vacancy.*

**Myth:** It does not matter if my form is late.

*If you apply after 15 January 2022, we will look at your application after all those that applied on time and it is very unlikely that you will be offered one of your preferred schools.*

## Myth busters

**Myth:** I live nearer to the school than the last child offered under the distance criterion last year so I'm guaranteed a place.

*Although the information listed in the table can give you an idea of how likely it is that you will be offered a place at your preferred school, the 'last distance' will change every year.*

*We cannot guarantee any child will be offered a place at any school.*

# Applying for a school place

**Myth:** Children in my road go to the school so my child will too.

*The number of pupils offered under each criterion at each school can change every year so just because you know pupils living near you that go to a certain school, it does not mean that your child will be offered a place there.*

**Myth:** If I apply to a school in another borough, their residents will have priority over me.

*An admissions authority cannot give priority to its own residents and published admissions criteria cannot include the borough of residence. Haringey cannot and does not discriminate between applicants who live in the borough and those who do not.*

**Myth:** I can only apply for Haringey schools.

*You can apply for both Haringey and out of borough schools by naming them on the Haringey application form.*

**Myth:** I have another child already at the school so I do not need to apply.

*Even if you have another child at the school, without an application you will not be considered. We consider there is no link between the nursery and the main school. Children with a sibling in the nursery will not be considered under the sibling criterion for community schools. Also, some schools do not have a sibling criteria. Please look at the admissions criterion for the school you are applying for.*

**Myth:** Listing the same school six times will improve my chances of being offered a school.

*Your child can only be considered once for a school and any duplicated preferences will be deleted.*

## Key information to consider

- Please read the oversubscription criteria of all the schools you are applying for, found in the .
  - We recommend that you list six schools on your application form. This will maximise the possibility of your child being offered a school you would like them to go to.
  - The schools can be in Haringey or elsewhere.
  - Please list the schools in the order you most prefer them.
  - Please do not list any private fee-paying schools on the form.
  - You must check if any of the schools you are applying for require a Supplementary Information Form (SIF) to be completed. We have clearly shown in the of this booklet which Haringey schools have a SIF. You will need to ask the school for the SIF.

## Fraudulent Applications

Haringey Council takes any attempt to obtain a school place through fraudulent means very seriously. We reserve the right to undertake checks to verify any information provided on your application form. If we find out that a school place was obtained using a false or misleading address, we will withdraw the offer and give it to the child who was entitled to the place.

We consider that every school place obtained by deception is unfair, as other children are being deliberately denied their legitimate claim to take up that place. Rigorous checks will be carried out to ensure that applications are not fraudulent.

We carry out random checks on a number of applications and we reserve the right to carry out home visits to the address used on an application form.

We will also ask the new school to check the child's home address at the time of admission.

If it is different from the address on the application form, we will check whether the previous address was a temporary address, used for the purposes described above.

If you suspect someone intends to use, or has used, a false address to obtain a school place, please complete the [fraudulent address referral e-form](#) on the Haringey website.

Alternatively you may wish to email [fraudcall@haringey.gov.uk](mailto:fraudcall@haringey.gov.uk) in confidence. You may also wish to write to [schooladmissions@haringey.gov.uk](mailto:schooladmissions@haringey.gov.uk)

All cases will be investigated.

If we find that a place has been obtained using fraudulent information, there will be no sibling connection available to subsequent children from that family. We may also withdraw the place even after your child has started school.

More information on how and the reasons why we investigate suspicious applications is available online in our address of convenience protocol at [www.haringey.gov.uk/fraudulent-applications](http://www.haringey.gov.uk/fraudulent-applications)

# Applying for a school place

## What happens if my application is being investigated?

If you receive an Address of Convenience form asking you to complete the relevant sections and to provide supporting documentation please do not be alarmed and read all the information enclosed carefully. You must ensure that you provide all the required evidence you wish to submit in support of your application as this evidence will be crucial in deciding which address we will use for the purpose of your school application.

Your evidence will only be considered once before National Offer Day and any further evidence will not be looked at until after national offer day.

## First panel meeting – January 2022

All the relevant evidence you submit will be considered by the relevant admission authority in January 2022.

## Second panel meeting – April 2022

Any new applications under investigation or further evidence not considered because it was supplied after the January deadline will be looked at in April 2022.

The decision made by the relevant admission authority on which address to use for the purpose of your school application will be final.

## Withdrawing places even after your child has started school

Your school and Haringey will revisit all cases investigated to ensure that your child is still living at the address supplied on your application. We reserve the right to withdraw your child's school place even after your child has started school.

# Applying for a school place

## Frequently Asked Questions

### What is a 'main residence'?

The address you provide must be your child's only or main residence on the closing date of the application. The only or main residence is considered to be the place where the child sleeps and spend most of their time, from Monday to Friday. Parents are not permitted to use a temporary address to secure a school place for their child. A business address, a childminder's address or any address including a family member's address other than the child's only or main residence will not be accepted. Proofs of address will be sought in all cases and if there is any doubt about the validity of the address given the application will be the subject of further investigation.

#### **Please provide the following evidence:**

- Council tax reference number (as shown on your annual bill or direct debit statement), and/or tenancy agreement.
- A copy of your gas or electricity bill dated within three months of 15 January 2022

We will use council records to verify addresses.

### Do you accept a temporary address?

We will not accept a temporary address if you still possess a property that was previously used as a home address, nor will we accept a temporary address if it is used solely or mainly to obtain a school place. If you own a property but are living at and apply from a different address, the council will consider that the second address is temporary and that the property you own is where the child normally lives. Where the owned property is being renovated, this will still be considered the child's only or main residence.

Evidence will otherwise be required that the property has been disposed of. If a family own more than one property, the council will request further evidence to demonstrate where the family normally live to determine the address we will use for the child's application.

### What if my child lives at two addresses?

If parents are separated, the application should be made by the parent the child normally lives with. Where a child spends equal time during the school

week with each parent, the exact arrangements must be made clear in a letter with a copy of any custody or residency order submitted with the application. It is the parent's responsibility to agree between themselves and make clear which address will be used and to provide supporting evidence in respect of that address. Your application for a school place can only be processed from one address. The final decision about which address is to be used for admission purposes rests with the Haringey admission authority.

### What if I change my address after applying?

We can only accept changes of address once they have taken place. We will not be able to process your application from an intended address. Notice of an actual change of address must be provided to the Haringey Admissions team in writing with the appropriate evidence.

# Applying for a school place

If you move address, please let us know immediately and provide the evidence set out above. If you do not tell us about a move, or about a declared house move that has failed to take place, we may withdraw your application or any offer of a school place we have made.

All changes of address will be thoroughly investigated and for a change of address to be taken into account for your admission application, you must have taken up residence before 11 February 2022. If we receive the required proof of address on or before the 11 February 2022 then we will be able to use your new address to measure your home to school distances. If we receive the information after the 11 February 2022 we will not be able to update your home to school distances until after 19 April 2022 (national offer day).

## What if my child is a Looked After or previously Looked After child?

Please let us know if your child is in care to a Local Authority or previously looked after. Previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

Please indicate on your application form if your child is looked after or previously looked after. Where a child is in care we will need a letter from your child's social worker or Local Authority to confirm this.

Where a child is previously looked after we will need a copy of the adoption, child arrangements or special guardianship order and documents or a letter showing your child was previously in care.

The definition of previously looked after children includes children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. Documentary evidence of adoption and that your child was previously looked after will be required in line with the information set out in the **DfE guidance**

For your application to be considered under the looked after or previously looked after criterion please make sure you provide all the evidence outlined above. If you do not provide this information your application may not be considered under this criterion. It is your responsibility to provide all the relevant evidence and to arrange for a letter to be sent to us from the social worker, adoption agency or other organization that has been involved with your child.

## What is an exceptional social/medical

## reason?

All schools in Haringey have experience in dealing with children with diverse social and medical needs.

However, there may be exceptional cases where there are compelling reasons why a child needs to attend one specific school.

For your application to be considered under the social medical criterion you must provide written evidence from a doctor, social worker or other independent professional. In each case, the connection between your child's need and the specific school must be made and you must clearly demonstrate why this one specific school can meet your child's needs in a way that no other school can.

Evidence relating to the social or medical circumstances of the parent or other family member can be considered, but only if this impacts on the child and their need to attend one specific school.

Please ensure that you submit all relevant information, including professional evidence with your application for a school place. A panel of officers will determine whether the evidence provided is sufficiently compelling to meet the above requirements. You will be notified of the panel's decision in writing and the letter will indicate what criterion we will use to process

# Applying for a school place

your application.

Please provide evidence by the application deadline of 15 January 2022. Any evidence submitted following the application deadline will not be considered until after 19 April 2022.

Priority under this criterion can only be given for one specific school but we still recommend that you do list 6 schools on your application form to maximize your chances of securing one of your preferences. We may have to share the information you have provided with the offered school.

## What is defined as a 'sibling'?

If your child has a brother or sister already attending any of the schools you must tell us this in your application and give the relevant details. In Haringey a sibling is defined as a full brother or sister, a step/half brother or sister, a foster brother or sister or an adopted brother or sister living at the same address as the child for whom the application is being made. The term does not include cousins or any other family member.

For community schools, priority under the sibling criterion will only be given to children with a sibling attending the school or linked infant/junior school and who will still be attending on the date of admission. It does not apply to children with a sibling attending the

school nursery. Full details on the sibling criterion for other types of schools can be found under each of the individual schools on

For your application to be considered under the sibling criterion please make sure you include the details of any brothers or sisters who are already attending the school. If you don't tell us you may lose out on the sibling connection.

## What is a 'distance criterion'?

The vast majority of school places in Haringey are offered under the distance criterion. Haringey measures distance in a straight line from the Ordnance Survey address point of the child's home address to the Ordnance Survey address point of the school, calculated using a computerised mapping system. Where applicants have identical distance measurements, priority will be determined at random using the Haringey computerised mapping system.

There are a number of websites that calculate distances to and from different addresses. The measurements on these websites can only serve as a guide and will provide approximate distances.

Haringey does not use these websites to calculate distances in relation to offering school places.

If you are a Haringey resident then you can use the Haringey online distance measurement tool to find out your home to school distance.

This tool only works if you would like your home to school distance measurement for a Haringey school.

If you are a non-Haringey resident please email your distance request to [schooladmissionscs@haringey.gov.uk](mailto:schooladmissionscs@haringey.gov.uk).

If you are applying for a school outside Haringey, please contact the borough where the school is located for your home to school distance measurement. Contact details for our neighbouring boroughs can be found on

**We do not provide measurements to an intended or temporary address; please provide your child's only or main address when making your request.**

See how the [distance measurement tool](#) was applied last year, including the distance of the last child offered a place at a particular Haringey school. This information can be used to give you an idea of how likely it is that your child will be offered a place at your preferred school. The furthest distance changes every year and we can never guarantee that any child will be offered a place at any school.

## **What if I have twins or triplets (multiple birth children)?**

Parents with multiple birth children must complete a separate application form for each child. If only one place is available at a community school and the child who qualifies for that place is one of multiple birth, we will ask the school to go over their published admission number. If this happens at an academy, foundation or free school the council will ask the governing body of the school if an additional place can be offered, but the decision will rest with the governing body.

The multiple birth rule does not apply to siblings that fall under different criteria, unless they are the next child to be offered and the school is not already over their Published Admission Number. For example, if only one twin has an EHCP naming a school, there is no automatic right for the child without an EHCP to attend the same school unless they are at the top of the waiting list, and the school is not over their Published Admission Number.

## **Can I apply if my child lives overseas?**

If you have a property in the UK you should contact the

local authority for that address for more information. If you do not have a UK property, you should contact the local authority where your preferred school is located for more information.

You must apply by the deadline and provide information about where you are currently living outside the UK and when you intend to return/arrive. You may be asked for evidence of your intention to return to/enter the UK.

We will consider the application based on your child's address overseas and any subsequent change will be considered in line with our change of address policy. For more information on our change of address policy,

see our

A United Kingdom address will only be used once your child is residing at that address, and evidence will be required of this.

We will not accept an intended UK address, even if you own the property.

It is your responsibility to notify Haringey once your child is in the UK.

## **Can I apply as a Member of the Armed Forces and Crown Servants?**

Members of the Armed Forces and Crown Servants with

automatic right of entry to the UK who are able to provide evidence of their relocation may apply for a school place ahead of a move. An application can be made as soon as confirmation of the relocation is available.

For Armed Forces applications we will use the unit posting address when considering the application. For Crown Servants a UK address can only be used if there is evidence of the address the child is returning to. There is no guarantee that a place will be available at a preferred school; each application will be considered in accordance with the school's admissions criteria.

## **What if I make more than one application?**

Parents can only submit one application. If two or more applications are submitted, we will process the latest dated application and any earlier ones will be disregarded.

## **What if I submit my application late?**

Applications received after 15 January 2022 will be classed as late. Late applications will be considered after all the other applications that were received on time.

If there are exceptional circumstances why your application was received after the deadline, please provide independent written evidence by 11 February 2022 (from someone who is impartial) explaining why the application was late. This information will be considered by a panel and we will let you know if your

# Applying for a school place

application will be processed as late or 'on time'.

Late applicants are very unlikely to be offered one of their preferred schools.

## Can I change my preference before the application deadline?

If you have applied online you can make changes up until the closing date by returning to the online e-admissions website and editing your application.

If you send in a paper application before 15 January 2022 and then decide to make changes, you can still do this as long as we receive written requests by 15 January 2022.

Changes requested over the telephone will not be accepted. Preferences cannot be changed after 15 January 2022 unless you move to a new permanent address. You will need to notify us and provide the relevant proofs of address by 11 February 2022.

## How will you process my application?

Each school you list is considered at exactly the same time. This includes schools in Haringey and schools located in other boroughs.

The published admissions criteria (also called admission rules or admission arrangements) will be applied to every school you list.

- Our computer system works out who can be offered a place at Haringey community schools. See [Admissions criteria](#) for Haringey community schools.
- The governors of academies, voluntary aided and free schools apply their criteria to all their applicants and let us know who should be offered a place.
- Other boroughs apply their criteria and let us know which Haringey residents can be offered places at their schools.

Each school has a set number of places that can be offered (the published admission number) and places are offered until the school is full or there are no more applicants for that school.

If a child can be offered more than one place then the highest possible preference will be offered.

Places are offered in accordance with the schools' admissions criteria and your child may qualify for more than one school (see table A on the next page). Please therefore list your schools in the order you prefer them. This is very important because only one offer will be made and this will be for the highest preference school for which your child has qualified under the admission criteria.

## What happens if my child is not offered one of my preferred schools?

Sometimes we cannot offer any school listed because in every case other applicants met the admissions criteria better than they did. For example, other applicants lived closer to the school.

If this happens we will offer a place at the nearest school with an available place. With the governors' agreement, it may be possible to allocate places at academies, voluntary aided and free schools, if there are any available.

5	School E	✗	
6	School F	✗

## Can my child start later in the school year?

### Deferred entry - before compulsory school age

Children will normally be admitted to the reception year in the September following their fourth birthday. In line with the School Admissions Code (2021), parents can defer their child's entry to the reception year until later in the school year, where they have been offered a place at a school to start before they are of compulsory school age.

Where entry is deferred, the school will hold the place for that child and not offer it to another child. However, entry cannot be deferred beyond the point the child reaches compulsory school age nor beyond the beginning of the final term of the Reception Year.

Parents can also request that their child attends part-time until he/she reaches compulsory school age.

### Summer born (delayed entry) - Children educated outside their chronological age group

Paragraph 2.17 of the School Admissions Code (2021) states that the parents of a summer born child may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1.

Haringey Council, as the admission authority for Haringey community and voluntary controlled (VC) schools will consider all requests for a child to be educated out of year group and will make a decision on the basis of the

circumstances of the case and in the best interests of the child concerned.

This will include taking account of the child's individual needs and abilities and to consider whether these can best be met in reception or year one. It will also involve taking account of

- Parents' views
- Information about the child's academic, social and emotional development
- The child's medical history, where relevant, and the views of a medical professional
- whether they have previously been educated out of their normal age group
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely, and
- the potential impact on the child of being admitted to year one without firstly having completed the reception year.

The views of the head teacher will be an important part of this consideration.

### What do you need to do?

If your child attends a nursery then it is recommended you speak with the early year's coordinator at your child's nursery.

Parents should then complete an application for their child's actual year group and write to the School Admissions Service with their request. In all cases, please

email your request with the words 'summer born' in the subject line to [schooladmissions@haringey.gov.uk](mailto:schooladmissions@haringey.gov.uk)

Your application will be processed and a school place will be offered in your child's actual year group.

### Next steps

Please accept the school your child has been offered on the 19 April and contact the headteacher of the school concerned to discuss all your options. If after this you still feel it is in the best interest of your child to start Reception a year later then please confirm this in an email to us.

For Community and Voluntary Controlled (VC) schools, a panel of officers will meet to consider all summer born requests and will inform you of the outcome as soon as possible.

Similarly, if you would like to request deferred entry for an own admission authority school (Voluntary Aided, Foundation, Free School or Academy) you will be expected to contact these schools direct for the next steps. If you are unsure about the type of school you are applying for, please see [this page](#). For these schools, a panel of Governors will be responsible for considering your request after national offer day (see below paragraph for further information).

The relevant panel will take into account the views of the headteacher. It would be helpful if you could please set out in your email if you have liaised with staff at the school

# Applying for a school place

and whether they are supportive of your request.

Your place can later be withdrawn if your request is approved by the panel. Parents who are granted their request will be asked to make a fresh application from September 2022, which will be considered in accordance with the school's oversubscription criteria. There is no guarantee that your child will then be offered the same school which they were offered previously, so please think carefully before giving up your place for September 2022.

## **Academies, free schools, foundation and voluntary aided schools**

The local authority is the admission authority for Haringey community and St Aidan's voluntary controlled schools only. If you have been offered a place at an academy, free school, foundation, or voluntary aided school then please contact the school directly for the next steps. The governors of these schools are responsible for considering requests for children to start Reception outside their normal age group.

## **Right of appeal**

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

# Applying for a school place

## The results of your application

Online applicants will NOT receive an offer letter on 19 April. You will receive an email notification and you will be directed to our website to view your letter. Waiting list information and the information on your right of appeal will be included in this letter.

Date	What will happen?
19 April 2022	Online applicants will receive notification of their offer in an email Paper applicants will be sent an offer letter
3 May 2022	Acceptance Deadline - Online applicants should accept their offer online

## Accepting the offer

Please accept your offer online by 3 May 2022. If you do not accept your offer, you will be asked what arrangements you are making for your child's education. Please email [schooladmissions@haringey.gov.uk](mailto:schooladmissions@haringey.gov.uk) with any further questions regarding your offer.

Please remember that the offer you will receive will be:

1. The highest preference school your child qualified for (offer letter)
2. The nearest school with an available place (allocation letter)

Accepting the offer will not influence your waiting list position or appeal outcome.

Please note we will not give out any offer information over the phone. You must contact your home Local Authority to accept or refuse a school place. Please do not only respond directly to schools.

# Applying for a school place

## Waiting lists

If we cannot offer you your first preference school, your child's name will automatically be added to the waiting list for any schools on your form listed higher than the school you have been offered. Waiting lists are ordered strictly in accordance with the school's admissions criteria.

Waiting list positions can change at any time depending on other applicants' circumstances and it is important to note that your child's position may go down as well as up if other applicants join the waiting list. Being on a waiting list does not guarantee a place at the school.

Waiting lists are renewed each academic year and we will write to you to ask you to complete a new application if you would still like your child to be considered for a higher preference school.

If you would like your child to remain on the waiting list for any outborough schools, please contact the borough the school is located in for more information.

# Applying for a school place

## School admission appeals

If your child is not offered a place at one of the schools you listed on your form you can appeal against this decision to an independent appeal panel. You will be given details of how to make an appeal in our offer letter. The deadline to appeal is 20 May 2022.

Appeals are heard by an independent appeal panel of three members of the public. You can only make one appeal for each school listed on your form. If you did not get a place at more than one school you listed on your application you can make a separate appeal for each school.

Please note: By law children cannot be taught in classes of more than 30 in Key Stage 1 (Reception, Year 1 and Year 2). Where a child has been refused admission to a school because the class has reached its limit of 30, an appeal panel can only offer a place to a child where:

- It finds that the admission of additional children would not breach the infant class size limit; or
- It finds that the admissions arrangements did not comply with admissions law or were not correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or
- It decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Please be aware that if one of these schools is a voluntary aided school, an academy or a free school you have to appeal to the school directly as they are responsible for organising their own appeals.

When you indicate your wish to appeal for a Reception or Junior place you will be contacted by the Appeals Administrator 10 days before the hearing to confirm the date. Further details of the appeals timetable will be published on our website by 28 February 2022.

You are able to submit additional evidence or documentation that might be relevant to your appeal. Please submit any evidence as soon as possible and before the hearing. This is so that all the other participants have time to read your information. Where possible, appeals for late applications will be included with those being heard for the same admissions round. However, if this is not possible, appeals for late applications will be heard during the 2022 autumn term.

# Haringey Schools

## Types of schools in Haringey

We co-ordinate applications for all schools in Haringey. Brief definitions of the types of schools in Haringey are given below along with information about how the admission arrangements are set and applied for each school.

### Community Schools **COM**

Haringey Council set and apply the admission arrangements for community schools.

### Academies **ACA**

Academies are publicly funded independent schools. The governors of the school set and apply the admissions arrangements.

### Foundation Schools **F**

A foundation school is a state funded school. The governors of the school set and apply the admission arrangements. Land and buildings are usually owned by the governing body or a charitable foundation.

### Free Schools **FREE**

Free schools are non-profit making, independent, state-funded schools. The governors of the school set and apply the admission arrangements.

### Voluntary Controlled Schools **VC**

Voluntary controlled (VC) schools are state-funded schools in which a foundation or trust (usually a Christian denomination) has some formal influence in the running of the school. Haringey Council set and apply the admission arrangements for voluntary controlled schools.

### Voluntary Aided Schools **VA**

Voluntary-aided (VA) schools operate under foundations (usually trusts, which are often the Church Diocesan Boards). Most are designated with a religious character. The governors of the school set and apply the admission arrangements. These schools require you to complete a Supplementary Information Form **SIF**.

## Admission criteria for Haringey community and voluntary controlled schools

If we receive more applications than spaces available at Haringey community schools, then we will apply the following admissions criteria.

### Oversubscription criteria

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan or statement of special educational needs naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

#### 1. Children in Care/ Looked After Children

Children who are looked after by a local authority or were previously looked after but immediately after being looked after, became subject to an adoption, child arrangements, or special guardianship order.

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

#### 2. Social Medical

Children who the Authority accepts have an exceptional medical or social need for a place at one specific school. Applications will only be considered under this category if they are supported by a written statement from a doctor, social worker or other relevant independent professional. The information must confirm the exceptional medical or social need and demonstrate how the specified school is the only school that can meet the defined needs of the child.

#### 3. Linked school

This rule applies only to junior school admissions. Applicants attending an infant school will be prioritised under this rule for admission to the linked junior school. The Linked infant and junior schools in Haringey normally share the same names (e.g. Rokesly Infant School is linked to Rokesly Junior School) with the exception of St Peter-in-Chains Infant School and St Gildas' Junior School.

#### 4. Brother or Sister (sibling)

Children with a brother or sister already attending the school or linked infant/ junior school and who will still be attending on the date of admission.

If a place is obtained for an older child using fraudulent information, there will be no sibling connection available to subsequent children from that family.

#### 5. Children of staff

Children of teaching staff of the school where the member of staff has been employed at the school for two or more years at the time of application and/or children of a member of staff who has been recruited to fill a vacancy for which there is a demonstrable skill shortage.

#### 6. Distance

Children whose home address is closest to the preferred school.

Distance will be measured in a straight line from the Ordnance Survey address point of the child's home to the Ordnance Survey address point of the school, calculated using a computerised mapping system.

# Haringey Schools

## Tie breakers

Children cannot be considered under more than one criterion. Within each criterion the sole tiebreaker to decide between two applications is children whose home address is closest to the school, measured in a straight line from the Ordnance Survey address point of the child's home to the Ordnance Survey address point of the school, calculated using a computerised mapping system.

The tiebreaker for two or more applications whose home address is exactly the same distance from the school (and who are not from multiple births) will be random allocation using a computerised system.

## Multiple births

If only one place is available at the school and the next child who qualifies for a place is one of multiple birth, we will ask community schools to go over their published admission number.

## Notes

- Home address is defined as the child's only or main residence. A business address, a childminder's address or any address including a family member's address other than the child's only or main residence will not be accepted.
- If parents are separated, the application should be made by the parent the child normally lives with. Where a child spends equal time during the school week with each parent, the exact arrangements must be made clear in a letter with a copy of any custody or residency order submitted with the application. It is the parents' responsibility to agree between themselves and make clear which address will be used and to provide supporting evidence in respect of that address. An application can only be processed from one address. The final decision about which address is to be used rests with Haringey Council.
- Previously looked after children include those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
- A sibling is a full brother or sister, a step/half brother or sister, a foster brother or sister or an adopted brother or sister living at the same address as the child for whom the application is being made.
- Priority for children of teaching staff will be limited to one place for each form of entry in any year. Exception to this will apply to children of multiple birth or those born in the same academic year. All such applications must be submitted to the local authority and must be accompanied with the relevant paperwork supporting an application on these grounds. The applicant must take sole responsibility to provide such paperwork. Without the provision of the relevant papers, priority will not be given on these grounds.
- Haringey measures distance in a straight line from the Ordnance Survey address point of the child's home to the Ordnance Survey address point of the school, calculated using a computerised mapping system. Measurements by alternative systems or to other points will not be taken into account in any circumstances. Where applicants have identical distance measurements, priority amongst them will be determined at random using a computerised system.

## Reception Admissions 2021 – How offers were made

The schools in this table received more applications than places available and this means places could not be offered to every applicant. The table gives information about offers as at 16 April 2021. These figures will change if places are declined and then offered to other pupils from the waiting list. For full data relating to faith schools please contact schools directly. (Please Note: These figures do not include late applications)

## In-Year Admissions

### Admissions to schools at other times

Applications for a school place at any time other than starting reception or transferring to junior school are called 'In-year' admissions. To apply for a Haringey school, please complete [our online in-year e-form](#). Supplementary Information Forms (SIFS), required by some schools, will be available directly from the schools. These schools will use the information on the SIFS to apply their admissions criteria. See [Haringey Council](#) for Haringey community schools

If you would like to apply for a school outside Haringey, please contact the borough the school is located in for details on how to apply. Please note, this is different from the process for applying to start Reception or transfer to a Junior school.

### Waiting lists

If the school you are interested in has a vacancy in your child's year group we will be able to offer a place. If there are no places, your child's name can be added to the waiting list. If a place becomes available at a school, all the children on the waiting list are considered and the place is offered in accordance with the school's admissions criteria. Waiting lists for community schools will be held in the order of the admissions criteria.

### School admission appeals

If your child is not offered a place at one of the schools you listed on your form you can appeal against this decision to an independent appeal panel. See [Haringey Council](#). Please note for applications for in year admissions there is no appeal deadline. Appeals will be heard within 30 school days of the appeal being lodged.

## Requests to transfer between schools

If you have moved into the local area, your child can join a school in the appropriate year group for their age. Moving your child from one primary or secondary school to another (also known as an in-year move) is a big decision for you and for your child. If you're not moving address and would like to change your child's school, you should consider the following before you make your decision:

1. Why are you moving your child and can you resolve any concerns you have with the school or with your child without changing school?
2. How will your child cope with learning new rules and having to do things differently, or possibly having missed important work? Children who transfer schools after their exam subjects have been chosen in Year 9 may find that they can't do the same subjects, or that the exam board and courses are different.
3. If your child has brothers or sisters at the same school, transferring one child may affect his or her sibling(s).
4. Will it be difficult for you to have children attending different schools, for example with drop off at the beginning of the day or pick up in the afternoon, or because the schools have different term dates?

You also need to bear in mind that most schools in Haringey are full and we may not be able to offer you the school that you want straight away or indeed at all.

To make sure that you are taking the decision in the best interests of your child we recommend that you sit down with your child and ask them whether or not they want to move to another school. If they tell you that they are being bullied or not getting on with other pupils, you should speak to your child's Form Tutor or Head of Year first, to resolve any problems your child may be having.

If you've done this and still have concerns, or are unhappy about the way the school is dealing with your concerns, you should make an appointment to speak to the Head teacher of the school.

Please remember, a decision to move a child from one school to another should not be taken without careful consideration.

- [Harris Primary Academy Coleraine Park](#) **ACA**
- [Harris Primary Academy Phillip Lane](#) **ACA**

## Fair access

We have a protocol in place which ensures that vulnerable young people who apply for a place outside the normal round of admissions, and who are not on the roll of a school, are offered a place quickly. Fair Access admissions are shared fairly across all schools and academies. Further information is available on our website -

## Education Welfare Service

The Education Welfare Service works with schools, pupils and families to encourage good school attendance and high standards of pupil welfare. There is a very clear link between good school attendance and good academic achievement. There are also clear links between poor school attendance and risk of being involved in antisocial behaviour, crime and poor life outcomes generally.

The Education Welfare Officer (EWO) will work with young people who find regular school attendance problematic. This may mean directly working with young people themselves or referral to other agencies (with parental agreement). They will ensure that parents / carers are fully aware of their responsibilities to ensure regular school attendance. They can give advice on a range of issues such as matters relating to child protection and bullying.

However, where such work has failed to improve school attendance, the school based EWO will refer cases to the central Education Welfare Service which may use its full range of statutory powers, including legal action where there is no good reason for absence from school.

## Private fostering

**If a child is living with someone outside their family, this is what is known as a private fostering arrangement.**

### ■ Do you know what private fostering is?

Private fostering is when a child under the age of 16 (or 18 if disabled) is cared for by someone who is not their parent or a 'close relative'. This is a private arrangement made between a parent and a carer, for 28 days or more. Close relatives are defined as step-parents, grandparents, brothers, sisters, uncles or aunts (whether of full blood, half blood or marriage/affinity). It is a legal requirement that you contact Haringey Council on 020 8489 4470 or email [mashreferral@haringey.gov.uk](mailto:mashreferral@haringey.gov.uk)

### ■ Do you know about the duty to notify?

There is a duty on the part of parents and carers entering into private fostering arrangements to notify the council. This is in order to safeguard and protect the child's welfare as well as ensuring that the child, carer and parent are receiving appropriate support and help.

If you know or suspect that a child is being cared for by someone outside their family please call us on 020 8489 4470 or email [mashreferral@haringey.gov.uk](mailto:mashreferral@haringey.gov.uk)
