

**Bounds Green Infant School**  
**Primary Sports and PE Government Funding Initiative 2019-2020 Financial Summary**

The Government is continuing to provide funding of £150 million per annum, which is being given to schools directly in order to meet their individual needs in improving provision and the quality of teaching of PE and Sport. The funding can only be spent on Sport and PE; however, schools have the freedom to choose how they do this.

At Bounds Green School, our main aims are to:

1. Continue to develop our PE and Sports curriculum ensuring breadth and clarity in progression of skills throughout the Key Stages.
2. To manage and maintain equipment and resources to facilitate good quality delivery of the PE curriculum.
3. To promote after school and lunchtime clubs as well as engagement in a range of competitive activities.
4. To foster the importance of an active and healthy lifestyle, pupil wellbeing and sustainable modes of travel.

We will invest the money in:

- Providing teachers with a range of training opportunities working in partnership with local Primary and Secondary schools and organisations in order to improve the quality of planning and delivery as well as teacher skills.
- Provide cover for teachers and PE specialists to work together.
- Organise a range of extra-curricular activities and competitions for our pupils to get involved in sporting activities.
- Promote the Active Daily Mile.
- Support in funding pupils to participate in after school PE and sports clubs.
- Improve our PE provision by investment in indoor and outdoor equipment.
- Promote Healthy School months.
- Promote pupil wellbeing.
- Invest in cycle training to ensure as many children as possible gain this valuable life skill.
- Invest in balance bike training for the Infants.
- Alongside our Eco-Schools committee, work in improving the air quality in the school.
- Promote sustainable modes of travel through BoW SoW WoW (our weekly reward scheme to children who come to school on Wednesdays by foot, bike or scooter) – this is linked to our Gold level awarded School Travel Plan.
