Stranger Scenario Discussion Cards

1

A stranger offers you sweets but they say you must go with them to their car to get them.

What is the risk?

How could you keep yourself safe?

Stranger Scenario Discussion Cards

2

You are playing at the park with a friend and their mum. A stranger says they've come to take you home and they are friends with your dad.

What is the risk?

How could you keep yourself safe?

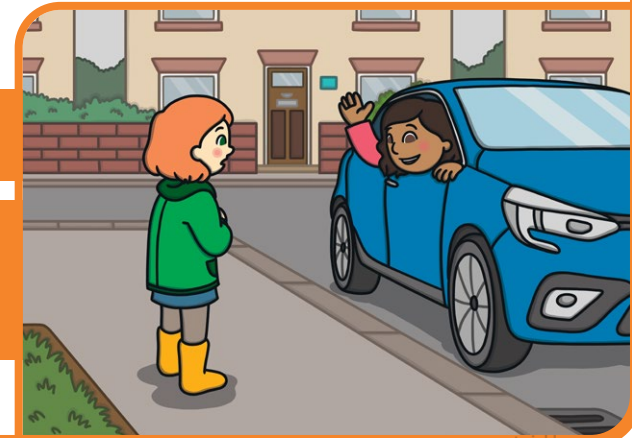

Stranger Scenario Discussion Cards

3

You are walking home from school with your grandma but you are far behind her when a stranger stops their car next to you.

What is the risk?

How could you keep yourself safe?

The doorbell rings when your dad is outside in the garden and you think about opening the door.

What is the risk?

How could you keep yourself safe?

You are playing in the street outside your home when a stranger walks by and asks you to help walk their dog.

What is the risk?

How could you keep yourself safe?

You are lost in the shopping centre and begin to cry. A stranger stops and asks if they can help you to find your grown-up.

What is the risk?

How could you keep yourself safe?

A neighbour from your street waves to you. You have seen them before but you don't know them.

What is the risk?

How could you keep yourself safe?
