

You can continue to celebrate Black History Month by learning more about extraordinary figures in Black history as well as enjoying fiction books written by Black authors. Many of these books will be found in your child's class book corners and our school library.

The below list is just a suggestion of great books from quality authors which we feel confident your child will enjoy. Please also remember reading in your home language is just as effective for your child's reading development and, most importantly, enjoyment.

Reading Recommendations for Nursery to Year 2

*The Missing Piece*, by Jordan Stephens.

*A Grand Place*, by Leighan Renaud and Elizabeth Lander.
