#### 9.4 SEND Policy

**The GB APPROVED the SEND Policy and Procedures 2025 for use by the school.**

#### 9.5 Planning, Preparation and Assessment Policy.

The Headteacher presented the Planning, Preparation and Assessment Policy to Governors. Noted that the PPA policy was new and tried to address the governments' view regarding teacher taking PPA at home and PPA time.

9.5.1 Staff members noted concerns had been raised regarding the implication of the policy and sought further time for consultation and understanding before approval was provided by Governors. Concerns were raised that the consultation period was short and staff could only respond to two points within the policy, not the whole policy.

9.5.2 Q: *The policy states that PPA will be covered by specialist. With the PPA Art teacher resignation is this now at risk?*

A: There is acknowledgment that having specialist PPA teacher's does support teaching & Learning and the curriculum; however too early to say how and in what capacity the PPA Art specialist will be replaced. It will be dependent on the budget and recruitment opportunity.

9.5.3 Q: *What are the key operational points of the Policy?*

A: The Policy is trying to be explicit about the procedure of taking PPA off site. This is to address historic operational challenges of teams going off site at short notice. Within the policy teams have to provide a weeks' notice; unless there is an emergency. Teachers receive 13% PPA time. This is 3% above the statutory requirement. Within the Policy for the 3% there is provision for MLT or SLT to use this time to meet with staff on operational matters once every two weeks. The premise is to trying to save the budget by providing extra time for staff to meet.

Staff noted that they want the 3% to be protected PPA time. Teachers expressed how they felt they were being asked to sacrifice their protected PPA time. Staff noted that there were other areas of teachers' times where those types of operational meetings could take place.

9.5.4 Governors sought to understand the implications should the policy not be approved. Noted that there currently was no policy and PPA was managed by informal procedures and understandings. Governor acknowledged both the Headteacher's and staff stance on the Policy and sought a compromise for the interim period.

9.5.5 **Governors determined NOT to approve the policy at the meeting.** Laura Williams **AGREED** to review the Policy alongside all the teacher feedback to ensure concerns were addressed. The updated policy to be discussed at the Resource Committee and circulated to staff for further review and discussion.

**AGREED** a) **Teachers seeking off site PPA to submit a request to the Headteacher at least one week in advance. The Headteacher to retain power to authorise the offsite PPA for operational reasons. Governors will also review requests for offsite PPA, to ensure equality across the staffing body.**

b) **No changes presently to PPA time.**

## 10. **SAFEGUARDING (Standing Item)**
