

BLOSSOM

Blossom, smile some sunshine down my way
Lately I've been lonesome
Blossom, it's been much too long a day
Seems my dreams have frozen
Melt my cares away

Send the sunshine down my way
Whenever you call my name
I know what you mean to say to me
Girl, it's all the same

Blossom, there's an empty road behind
Sit you down beside me
Blossom, there's a sweet dream on my mind
There's a song inside me
Take these chains away

Now send the sunshine down my way
Whenever you call my name
I know what you mean to say to me
Girl, it's all the same

Blossom, smile some sunshine down my way
Lately I've been lonesome
Blossom, it's been much too long a day
Seems my dreams have frozen
Melt my cares away

La, la, la, la, la...

RAISE MY VOICE

Eh, eh, eh, eh, eh, eh. (x 2)

Got something to say, got a difference to make,
A part I can play and a role I can take,
I believe in myself, express how I feel,
I like who I am and I'm keepin' it real.

Raise my voice, make a noise,
'Cos we're all havin' fun with it. (Fun with it.)
Can't you see, this is me
And it's OK to go for it. (Go for it.)
Raise my voice, make a noise,
'Cos we're all havin' fun with it. (Fun with it.)
Can't you see, this is me
And it's OK to go for it.
Makes me wanna sing!
Eh, eh, eh, eh, eh, eh. (x2)

I want to be strong, live long and be safe.
My generation has something to say,
So much to learn, enjoy and achieve.
I reach for my goal to be all I can be.

Raise my voice (etc...)
Eh, eh, eh, eh, eh, eh. (x 2)

BULLYING? NO!
WORK TOGETHER! YES!
HIDE MYSELF? NO!
BE ME? YEAH!

Eh, eh, eh, eh, eh, eh. (x 2)

Strong side by side, we lift those who fall,
Stand by our friends, and we hear when they call.
Let's all make a change, all play our part,
It takes you and me, and here's where it starts:

Raise my voice (etc...)
Eh, eh, eh, eh, eh, eh. (x 4)

ROCKET SHIP 🚀

Gonna take a trip
On a rocket ship
Gonna leave today
If I have my way
Got to get a grip

Gonna catch the moon
Wanna get there soon
'Cause the race is on
And I'll be long gone
By this afternoon

Come on and take a ride
There's plenty of room inside
So much to explore
The planets, stars, and so much more

I know you're gonna flip
In my rocket ship
Hear the engine roar
What you waitin' for
It's a timely tip

What you got to lose?
We can beat the blues
In my rocket ship

STREETS OF LONDON

Have you seen the old man in a closed down market,
Kicking up the paper with his worn out shoes?
In his eyes you see no prize, and held loosely at his side
Yesterday's paper telling yesterday's news.

So how can you tell me you're lonely
And say for you that the sun don't shine?
Let me take you by the hand and lead you through the streets of London.
I'll show you something to make you change your mind.

Have you seen the old girl who walks the streets of London
Dirt in her hair and her clothes in rags?
She's no time for talking, she just keeps right on walking
Carrying her home in two carrier bags.

So how can you tell me you're lonely
And say for you that the sun don't shine?
Let me take you by the hand and lead you through the streets of London.
I'll show you something to make you change your mind.

In the all night café at a quarter past eleven
Same old man sitting there on his own
Looking at the world over the rim of his tea cup
Each tea lasts an hour and he wanders home alone.

So how can you tell me you're lonely
And say for you that the sun don't shine?
Let me take you by the hand and lead you through the streets of London.
I'll show you something to make you change your mind.
I'll show you something to make you change your mind.
I'll show you something to make you change your mind.

TAPESTRY OF LIFE

So many threads that intertwine in this carpet of colours
Some of them yours and some of them mine
Woven through this tapestry of life

Tell me whose is the grand design for our carpet of colours
And who can spin these threads so fine
Running through this tapestry of life

The answer, I believe, lies in where we've been
And the stories that we gather on our way
The patterns we perceive are woven from within
We create this tapestry, this colourful community
With the stories that we're spinning every day

Come with me, you can be a part of our community
Come and join the tapestry of life
Come along, bring your song, and be part of our community
Help us weave the tapestry of life

Some may try to deny they're part of our community
They cannot see the tapestry of life
But we're all standing tall, 'cause we're part of a community
We're fighting for the tapestry of life

There is so much to be done, people to be fed
And a world that lies weeping in the road up ahead
The future of our tapestry, hanging by a thread
But if we deserve what we design, surely somewhere we can find
A cure for all the anger and the strife
In the tapestry of life

I WISH I KNEW HOW IT WOULD FEEL TO BE FREE

I wish I knew how it would feel to be free
I wish I could break all these chains holdin' me
I wish I could say all the things that I should say
Say 'em loud, say 'em clear
For the whole wide world to hear

I wish I could share all the love that's in my heart
Remove all the bars that keep us apart
I wish you could know what it means to be me
Then you'd see and agree
That everybody should be free

I wish I could give all I'm longin' to give
I wish I could live like I'm longin' to live
I wish I could do all the things that I can do
Though I'm way overdue
I'd be startin' anew

I wish I could be like a bird in the sky
How sweet it would be if I found I could fly
I'd soar to the sun and look down at the sea
Then I'd sing, 'cause I'd know
How it feels to be free
